Admiral Robert R. Inman, Director
National Security Agency
9A197
Ft. George G. Meade, Maryland

Dear Admiral Inman:

The discussions with you and your staff last Saturday were most helpful. I realize that I have only scratched the surface of NSA and have a great deal more to learn about your organization and your activities. Nonetheless, I am most grateful to you and to those of your staff who sacrificed part of their weekend to assist in my education. Please convey to all of those involved my sincerest thanks. They are an impressive group.

Sincerely,

Deputy to the DCI for Resource Management
